

Please Don't Go

No Mercy

Please don't go
Please don't go Don't you know that I love you so
Say you're mine
And give me tonight
Let's stay together Please don't go
Please don't go You're the only angel, I know
You were sent from heaven above
To love me forever Don't go
Don't go If you leave me, you'll let a good thing fall apart
If you deceive me, you'll leave a pain inside my heart
I really need you, just like the air I need to breathe
I'll stand beside you, I'll never leave Please don't go
Please don't go Don't you know that I love you so
Say you're mine
And give me tonight
Let's stay together Please don't go
Please don't go You're the only angel, I know
You were sent from heaven above
To love me forever Don't go
Don't go If you leave me, you're gonna spoil a dream we share
If you leave me, I'm gonna miss the way you cared
I will try harder, I'll make you fall in love again
And I'll be faithful, until the end Please don't go
Please don't go You're the only angel, I know
You were sent from heaven above
To love me forever Don't go If you leave me, I'm gonna search the world for you
If you leave me, sweet memories will shine on through
I'll always love you, no matter what you do or say
Cause when I touch you, light touches the day Please don't go
Please don't go I don't wanna be all alone
Say you're mine
And give me tonight
Let's stay together Please don't go
Please don't go You're the only angel I know
You were sent from heaven above
To love me forever Don't go
