

Mod Lang (Alternate Mix)

Big Star

I can't be satisfied
What you want me to do?
And so I moan
Had to leave my home Love my girl, oh yeah
She got to save my soul
I want a witness, I want to testify How long can this go on?
How long can this go on? All night long I was howling
I was a barking dog
A-how, a-how I can't be satisfied
What you want me to do?
I want a witness, I want to testify
How long can this go on?
How long can this go on? All night long I was howling
I was a barking dog
I want a witness, I want to testify
