

# King Of Terrors

## Symphony X

I awake without the sun  
Encased in walls of steel  
Terror so real it blinds me Rancid darkness steals my breath  
The Pit on the edge of death  
The wells of Hell know not my name  
I slip away into black I fade away Terrified to the left and to the right  
Spirit of the damned, iron shadows cast  
Hear my desperate cries shrieking demon far and wide  
Praying for this breath to be my last Awake again paralyzed  
I'm shackled to this alter  
Sacrificed to their God Inch by Inch and Line by Line  
The Blade, descending lost in time  
The fiends of Doom they call my name  
I slip away into black I fade away Terrified to the left and to the right  
Spirit of the damned, iron shadows cast  
Hear my desperate cries shrieking demon far and wide  
Praying for this breath to be my last Terrified to the left and to the right  
Spirit of the damned, iron shadows cast  
Hear my desperate cries shrieking demon far and wide  
Praying for this breath to be my last
