

# Bank Job

## Church Of Remixology

It was an upset  
In two minutes flat  
We're back on the freeway  
Foot to the matI can't understand it  
We had it down pat  
It's very upsetting  
Could we leave it at that?We all had positions  
We each had a role  
We'd over-rehearsed it  
We had full controlThey can't teach you acting  
It's there in your soul  
It's the same with a bank job  
And each thing we stoleSo I don't need attitude  
'Cause you knew just what to do  
We all did our best now  
We all need to rest now  
Leave me alone  
Wait by the phoneI was the driver  
You ran the show  
You had the last word  
The 'Go' or 'No Go'I knew every lane way  
In Ontario  
But it's not what you're sure of  
It's what you don't knowIt should have been filled with  
The usual ones  
Throwing their cash in  
To Mutual FundsWe all had our ski masks  
And sawed off shotguns  
But how do you plan for  
A bank full of Nuns?Well, I guess we panicked  
We all have taboos  
And they were like zebras  
They had us confusedWe should be in condos  
With oceanfront views  
Instead we're most wanted  
On the 6 o'clock newsSo, I don't need attitude  
'Cause you knew just what to do  
We all did our best now  
We all need to rest now

Leave me alone  
And wait by the phoneInside the police car  
You tried to explain  
Your crisis of conscience  
The voice in your brainAnd now that the whole thing  
Has gone down the drain  
I think we all know who  
Should shoulder the blame'Cause you made a choice there  
Almost sublime  
I'm all for compassion  
Just not on my dimeYou look like an amateur  
And that's the real crime  
So I'll take a walk now  
And you do the timeAnd I don't need attitude  
'Cause you knew just what to do  
We all did our best now  
We all need to rest now  
Leave me alone  
There's no need to phoneWe all did our best now  
We all need to rest now  
Leave me alone  
Leave me alone  
Leave me alone  
Leave me alone  
Leave me alone, leave me alone
