

# Teacher's Pet

## Weaselhead

say your prayers  
our father loves us all  
say your prayers  
and never tell a soul

she was young when she was there  
she was always teacher's pet  
when they took her from her bed  
she didn't believe the things they said

she was smarter than the rest  
they always told her she's the best  
she took the pain for all her sins  
kept it deep inside her chest

say your prayers  
our father loves us all  
say your prayers  
and never tell a soul

her father went away to war  
they said her mother was a whore  
wasn't fit to raise her kids  
took them away and shut the door

she believed her dad was best  
kept his picture on her chest  
when they told her he was dead  
she didn't believe the things they said

say your prayers  
our father loves us all  
say your prayers  
and never tell a soul

say your prayers  
our father loves us all  
say your prayers  
and never tell a soul

now I lay me down to sleep  
I pray the Lord my soul to keep  
if I should die before I wake  
I pray the Lord my soul to take
