

# Land Of Light (live)

## Freedom Call

I'm diving through an empty space  
Where shadows flashing around  
An angels voice, so close so far  
I'm reaching holy ground  
A broken heart, beats deep inside  
A silent lake of tears And I cry, you can see the tears  
In my eyes, like pouring rain  
The hand on my heart  
I'm leaving the night To the land of the light  
The garden of life  
remember the golden times An ancient time, forgotten land  
I've never seen before  
Unholy spell, a land of ice  
An everlasting war And I fly to the far horizon  
So high to the Land of the Light  
The garden of life  
remember the golden times And I cry, you can see the tears  
in my eyes  
You can see them burning  
The hand on my heart  
I'm leaving the night
