Butterfly

Rumer

You are the one that I can't pin down
I see you when I go into townButterflyI see you move from blossom to bloom
I can't catch up
I'm not as swift as youButterflyYou've no agenda
You're just destined to be
That's why I'm attracted
Because you seem so freeButterflyI have a heart which tells me to leave you be
Your wings will be snipped one day
But not by me
