

# Too Many Broken Hearts (Techno Remix)

Jason Donovan

Last night you talked about leaving  
I said I can't let you go  
It's not just emotional feeling  
I need you body and soul. You give me one good reason to leave me  
I'll give you ten good reasons to stay  
You're the only one I believe in  
I'll be hurt  
I'll be hurt if you walk away! Chorus:  
Too many broken hearts in the world  
There's too many dreams can be broken in two.  
Too many broken hearts in the world  
So I want give up the fight for you. The world is full of lonely people  
Who never held on to love  
Last night I tried to reach you  
But somehow it wasn't enough.  
So I said: Can't you wait a bit longer?  
I'll give you all that a lover should give  
It ain't my pride  
But my love is stronger I'll be hurt  
I'll be hurt if you walk away! Chorus Chorus You give me one good reason to leave me  
I'll give you ten good reasons to stay  
You're the only one I believe in  
I'll be hurt  
I'll be hurt if you walk away! Chorus
