Smile

David Gilmour

Would this do
To make it all right
While sleep has taken you
Where I'm out of sightI'll make my getaway
Time on my own
Search for a better way
To find my way home to your smileWasting days and days
On this fight
Always down and up
Half the nightHopeless to reminisce
Through the dark hours
We'll only sacrifice
What time will allow us
You're sighing... sighingAll alone
Though you're right here
Now it's time to go
From your sad stareMake my getaway
Time on my own
Leaving's a better way
To find my way home
To your smile
your smile...
