## **Smile**

## **David Gilmour**

Would this do To make it all right While sleep has taken you Where I'm out of sightI'll make my getaway Time on my own Search for a better way To find my way home to your smileWasting days and days On this fight Always down and up Half the nightHopeless to reminisce Through the dark hours We'll only sacrifice What time will allow us You're sighing... sighingAll alone Though you're right here Now it's time to go From your sad stareMake my getaway Time on my own Leaving's a better way To find my way home To your smile your smile...
