

# Funny Way To Win

[Del Amitri](#)

So you want me to play the bleeding role  
Just so he can know, how I needed you  
Well, that's okay with me, it's a part I think I know  
God knows, he won't need to suspend belief I know it's just a game and losing you's  
How it just begins ain't that a funny way to win?  
Ain't that a funny way to win? So I run around dragging people down  
Holding my broken heart like a cheap cartoon  
Just so he can see it's a sucker who  
Does to you what you did to me I know it's just a game and losing you's  
How it just begins ain't that a funny way to win?  
Yeah, that's a funny way to win So if there's another need that I can still serve  
I'm low on self-esteem but I'm high on nerve I know it's just a game and losing you's  
How it just begins ain't that a funny way to win? (Losing you's)  
Ain't that a funny way to win?  
(Losing you's)  
Yeah, that's a funny way to win
