Glory Lord Jesus

Keith Green

Glory, Lord Jesus, glory to Your Holy Name
Glory, Lord Jesus, Your blood, it has removed my shame
When the Son of Man returns, will He find faith on the Earth?
Well, I hope so, I want to be found readyHoly, Lord Jesus, holy is Your righteous throne
Holy, Lord Jesus, my praises go to You alone
Worthy art Thou Lord our God
To receive all glory honor and power
For there is none beside TheeFaith is believin', faith is for overcoming
And if I'm going to love You, sure got to trust YouGlory, Lord JesusFaith is believin', faith is for overcoming
And if I'm going to love You, sure got to trust YouGlory, Lord Jesus, glory to Your Holy Name
Glory, Lord Jesus For evermore You'll never change
When the Son of Man returns, will He find faith on the Earth?
Well, I hope so, I want to be found readyI wanna be found ready
I want to be ready, Lord, help me be ready
Please let me be found ready, I wanna be ready
Oh, Lord, help me be ready
I wanna be found ready, I wanna be ready
Lord, help me be found readyGlory, Lord Jesus, glory to Your Holy Name
Glory, Lord Jesus, Your blood, it has removed my shame
Glory, Lord Jesus, glory to Your Holy Name
Glory, Lord Jesus, for evermore You'll never changeGlory, Lord Jesus, glory to Your Holy Name
