

# Give It Away (ft. Postaal)

## The Shoes

Your eyes are going through, different times to follow through, attach the love to your heart  
When your eyes are going through, different times to follow though, the attach your love to your head before it starts  
Steal your heart

Give it away

Attach your head to your heart before it strays  
Steal your heart

Give it away

Attach your head to your heart before it strays  
Steal your heart

Give it away

Attach your head to your heart before it strays  
Steal your heart

Give it away

Attach your head to your heart before it strays  
Your love has fallen through, different course come to you, your  
head is detached from your heart

Your love will follow through, a different course will come to you, detach your head from your heart  
Steal your  
heart

Give it away

Attach your head to your heart before it strays  
Steal your heart

Give it away

Attach your head to your heart before it strays  
Steal your heart

Give it away

Attach your head to your heart before it strays  
Steal your heart

Give it away

Attach your head to your heart before it strays  
Hold on be strong, how long  
Steal your heart

Give it away

Attach your head to your heart before it strays

Steal your heart

Give it away

Attach your head to your heart before it strays  
Steal your heart

Give it away

Attach your head to your heart before it strays  
Steal your heart

Give it away

Attach your head to your heart before it strays
