

Disco Heaven*

Lady Gaga

Oh, disco heaven
Oh, disco heavenGet back, bunny
It's getting cold in here little honey
We got a show to put on your dress
Take a minute for us and relax, relax
Cupid's got me, oh with his bow & arrow, baby
He'll hit you in the pants, hot pants
Get the people to dance and relax, relaxOh, the lights dim while, we're dancin'
Yeah, the floor is shakin'
In this disco heaven
(Oh, disco heaven)
D-Disco heaven(Oh, disco heaven)Oh, the lights dim while, we're dancin'
Yeah, the floor is shakin'
In this disco heaven
(Oh, disco heaven)
D-Disco heaven(Oh, disco heaven)Throw your head back, girly
Throw it like those girls in the movies
We've got a show to put on your dress
Take a minute for us and relax, relaxThe ball is turning, a 300 mirrors are burning
Through the hearts of the crowd
In the back hips just banging the track
To the music, musicOh, the lights dim while, we're dancin'
Yeah, the floor is shakin'
In this disco heaven
(Oh, disco heaven)
D-Disco heaven(Oh, disco heaven)Oh, the lights dim while, we're dancin'
Yeah, the floor is shakin'
In this disco heaven
(Oh, the disco heaven)
D-Disco heaven(Oh, disco heaven)Oh, we've got that disco
D-I-S-C-O
And we're in heaven
H-E-A-V-E-N
In disco heavenFeels just like heaven
Disco heaven
Disco heavenA line up for the dance
Yeah, bring those fancy pants
Y'know, there's disco in the air
And hairspray everywhereA disco heaven

A disco heaven
Disco heaven
Disco heavenOh, the lights dim while, we're dancin'
Yeah, the floor is shakin'
In this disco heaven
(Oh, disco heaven)
D-Disco heaven(Oh, the disco heaven)Oh, the lights dim while, we're dancin'
Yeah the floor is shakin'
In this disco heaven
(Oh, disco heaven)
D-Disco heaven(Oh, disco heaven)
