

# It Has Begun

## Starset

Even a well lit place, can hide salvation  
A map to a one man maze that never sees the sun  
Where the lost are the heroes  
And the thieves are left to drown  
But everyone knows by now  
Fairy-tales are not found  
They are written in the walls  
As we walk in a straight line  
Down in the dirt with a landslide approaching  
But nothing could ever stop us  
From stealing our own place in the sun  
We will face the odds against us  
And run into the fear we run from  
It has begun  
Into the dark below  
Evading shadows  
Blind in a rabbit's hole  
We fall beneath the earth  
And watch the shell come unraveled  
As the seed begins to rise  
Awaking a starlit fate as we wait in the night  
It's written in the walls  
As we walk in a straight line  
Down in the dirt with a landslide approaching  
But nothing could ever stop us  
From stealing our own place in the sun  
We will face the odds against us  
And run into the fear we run from  
It has begun
