

# In The Air (feat. Angela McCluskey)

[Morgan Page](#)

I'm feeling it, I'm feeling a change  
I'm feeling it, I'm feeling a change  
In the air To look the other way to get what you want  
Throw out your troubles to find your song  
Cause there's a change, a change in the air  
In the air, in the air  
Just one more minute here with you  
All I give to have this come true  
Can you feel it too  
Can you feel this heart beating in time  
Wishing it was yours but it's gotta be mine  
Couldn't believe everything I feel  
You walked in you saw me just there Don't close that door, don't walk away  
Don't shut your eyes, you can hear me say  
I love you now more than everyday  
It's OK Give every bit to have you here  
Give every moment to see your tear  
Give everything I got from now til my last breath
