

Mr Rogers

Korn

Boomerang soomerang toomerang
Boomerang soomerang toomerang
Boomerang soomerang toomerang
Boomerang soomerang toomerang
Time has come to realize
What you are, what you've done inside
Time has come, we'll have something to talk about I will too
Looking back (dumb)
Oh now I realize (old man)
How much you really liked him (dumb)
This child's mind you terrorized (old man)
You came to him (dumb)
He really didn't know your lies (old man)
Now his innocence gone (dumb)
He's that child you terrorized (old man) This fucking pain that I feel (it came to me from you)
This fucking pain that I feel (because of you)
My childhood is gone (because I loved you)
My childhood is gone (because I loved you) Be my neighbor
Looking back (child)
Oh now I now realize (fucker)
How much you really loved him (child)
This child's mind you hypnotized (fucker)
You came to him (child)
You really didn't know his lies (fucker)
Now his innocence gone (child)
I'm that child you terrorized (fucker)
This fucking hatred I feel (it came to me from you)
This fucking pain that I feel (because of you) My childhood is gone (because I loved you)
My childhood is gone (because I loved you)
Be my neighbor
Be my neighbor
My neighbor Fred, you told me everybody was my neighbor
They took advantage of me, you let them take their turns hitting me
I wish I would have never watched you
You really made my childhood a failure
What a fucking neighbor Fred, you told me everybody was my neighbor
They took advantage of me, you let them take their turns hitting me
I wish I would have never watched you
You really made my childhood a failure

What a fucking neighbor I hate you (i will too)

I hate you (i will too)

I hate you (i will too)

I hate you

I hate you

Be my neighbor

Be my neighbor

This fucking hatred I feel

This fucking pain that I feel

My childhood is gone

My childhood is gone

This fucking hatred I feel

This fucking pain that I feel

My childhood is gone

My childhood is gone

I will too

I will too

I will too

I will too

I will too

I will too

I will too

I will too

I will too
