

You Can't Hurt Me

Brooke Hyland

You hold me to the fire
Knowing I'm alone
Try and make me cry
And tear away my home
Every chance you get
Throw another stone
Don't you know regret
Never heals a bone No oh oh, no no no
I don't want to go
No oh oh, no no no
I don't want to go Where did you go wrong
To harbor so much hate
I won't carry on
The fear that you create
Today I will survive
Sometimes it's hard to live
I won't forget the crime
But try to just forgive No oh oh, no no no
I don't want to go
No oh oh, no no no
I don't want to go And you can't make me
No you can't hurt me
And you can't make me
No you can't hurt me You try to break me down
With words that scatter fear
But love's the only sound
My heart will ever hear
Tomorrow may not come
But still I choose to pray
For another sun
To greet my weary face No oh oh, no no no
I don't want to go
No oh oh, no no no
I don't want to go And you can't make me
No you can't hurt me
And you can't make me
No you can't hurt me Another day you wake
To bend my will again
But it will never break

'Cause hate can never win And you can't make me
No you can't hurt me
And you can't make me
No you can't hurt me No oh oh, no no no
I don't want to go
No oh oh, no no no
I don't want to go And you can't make me
