Murderdolls

In 197666 I was born a bastard and a son of a bitch
And I'm sick, sick, motherfucker sick
In 197666 I nailed a GI Joe to a crucifix
And I'm sick, sick, motherfucker sick
Well, I don't wanna commit suicide
I just wanna commit a homicide
Oh yeah, well that's what I am
76, born a son of a bitch
76, born a son of a bitch
Oh yeah, that's what I am
In 197666 I had a porno mag inside my crib
And I'm sick, sick, motherfucker sick
In 197666 I killed an animal rights activist
Because animals ain't got no rights that's right

Well, I don't wanna commit suicide
I just wanna commit a homicide
Oh yeah, well that's what I am
76, born a son of a bitch
76, born a son of a bitch
Oh yeah, well that's what I am
Well, I don't wanna commit suicide
I just wanna commit a homicide
Oh yeah, well that's what I am
76, born a son of a bitch
76, born a son of a bitch
Oh yeah, well that's what I am
