I can't stop I'm hypnotized
All eyes are fixed on you
Feel it throbbing though the speakers
Turn it up up up up
I can't stop climbing up your chart
My heart beats double time for you
I feel it sk-skipping jump'd the needle
Turn it up up up upTurn Me On
Turn Me On
I wanna spend the night with you
Turn Me On
Turn Me On
DJ whatcha gonna doAnd you push play
Got me dancing
I'm so crazy
I'm spinning like a CD
And it's ok
Cause I'm dancing
All night long
I'm the DJ's favorite songPlay it all night long
You won't forget
I'm the DJ's favorite song
Play it all night long
You won't forget me
I'm the DJ's favorite songI won't flop I'm too confident
Not another one hit wonder
Cut the record acapella
Turn it up up up upTurn Me On
Turn Me On
I wanna spend the night with you
Turn Me On
Turn Me On
