When the Rocks Hit the Ground

Tye Tribbett

Verse 1
It felt just like a setup
Somehow I knew it was this time
I didn't really want to do it
Such a tug-o-war inside
But by now this was the routine
I became desensitizedPre-chorus
So here I go once again
To the sea of lust I diveChorus 1
And then I'm thrown down to my knees
Brought to Jesus by enemies
They wait with stones to condemn me
And if I've never heard the sound of grace before
I heard it when the rocks hit the groundVerse 2
I know it's an old story
But in reality it's me
And the more and more I messed up
It became harder and harder to flee
But I knew I wasn't gettin' by
I knew I wouldn't go scott freePre-chorus
But that's when I discovered Christ
And His endless love towards meChorus 2
I had to fall down on my knees
I thank God for my enemies
They wait with stones to condemn me
If I've never heard the sound of grace before
I heard it when the rocks hit the groundVamp
Let the rocks fall
Fall to the ground
Let your grace rain
Let grace rain down
(Repeat vamp)Bridge
