Emotions

Brenda Lee

Emotions, what are you doin'?

Oh, don't you know, don't you know you'll be my ruin?

You've got me crying, crying again

When will you let this heartache end?Emotions, you get me upset

Why make me remember what I wanna forget?

I've been lonely, lonely too long

Emotions, please leave me aloneYou worry my days, yes, you torture my nights

Never a dream, no, those dreams never turn out rightEmotions, give me a break

Let me forget that I made a mistake

Oh, can't you see what you're doin' to me?

Emotions, please set me freeYou worry my days, oh, you torture my nights

Never a dream, no, those dreams never turn out rightEmotions, give me a break

Oh, let me forget that I made a mistake

Oh, can't you see what you're doing to me?

Emotions, please set me free
