

We Can Work It Out

[Paul McCartney](#)

Try to see it my way
Do I have to keep on talking till I can't go on?
While you see it your way
Run the risk of knowing that our love may soon be goneWe can work it out
We can work it outThink of what you're saying
You can get it wrong and still you think that it's alright
Think of what I'm saying
We can work it out and get it straight or say good nightWe can work it out
We can work it outLife is very short and there's no time
For fussing and fighting, my friend
I have always thought that it's a crime
So I will ask you once againTry to see it my way
Only time will tell if I am right or I am wrong
While you see it your way
There's a chance that we may fall apart before too longWe can work it out
We can work it outLife is very short and there's no time
For fussing and fighting, my friend
Fussing and fighting
I have always thought that it's a crime
So I will ask you once againTry to see it my way
Only time will tell if I am right or I am wrong
While you see it your way
There's a chance that we may fall apart before too longWe can work it out
We can work it out
