Live a Lifetime Love

The Avalanches

When I was a child and I run aroundAll you kids are the same today
All you wanna do is play
You never want to work, or take any responsibility
(True!)Live a love, live a lifetime loveA.Dd+ we at it again
Just doing some horrendous shit with my friends
We smoke out [?]
That's just how we function
We don't give a fuck, I'm not sure if I can
[?] they call me advanced
And now they just call the police
'Cause I'm 23 and black and won't pull up my pants
They say I'm a thief (they say I'm a thief)
They callin' me thug (they callin' me thug)
They say I'm a killer (they say I'm a killer)
I just say "wassup?" (I just say "wassup?")
They say I'm a thief (they say I'm a thief)
They callin' me thug (they callin' me thug)
They call me a killer (they say I'm a killer)
I just say "wassup?"
