

# A Soulless God

## Kataklysm

The world ain't all sunshine and rainbows  
It's a very rough, mean place  
And no matter how tough you think you are  
It'll always bring you to your knees  
And keep you there permanently if you let it  
You, me or nobody ain't never gonna hit as hard as life  
But it ain't about how hard ya hit  
It's about how hard you can get hit and keep moving forward  
How much you can take and keep moving forward  
Now if you know what you're worth  
Then go out and get what you're worth  
But ya gotta be willing to take the hit  
Once you die there's no coming back  
Is it survival or is it emptiness?  
I scratch the surface just to see another day  
My eyes are bleeding, my hands are hurting  
And the sun is burning, no one could understand  
This life has given me addiction  
Is just too hard to see  
Even God forgot about me  
As I stand here chaos reign's my destiny  
Even God forgot about me  
I'm just a useless being with no journey to fulfill  
There's a hole in the sky  
Big enough for me to fall  
There's no one there to catch me  
As I burn into this hell  
The blade is touching my skin  
Suicide is coming within  
A past no one else sees  
No hope, no time, no identity  
Pain is underrated when your soul is annihilated  
What is your fear? What is your motive for life?  
I am the example of all that is your failures  
Sink into me and drown with me  
My eyes are bleeding, my hands are hurting  
And the sun is burning, no one could understand  
This life has given me addiction  
Is just too hard to see  
Even God forgot about me  
As I stand here chaos reign's my destiny  
Even God forgot about me  
I'm just a useless being with no journey to fulfill  
Tales of a soulless god  
There's a hole in the sky  
Big enough for me to fall  
There's no one there to catch me  
As I burn into this hell
