One More Night

Elana James

One more night, the stars are in sight
But tonight I'm as lonesome as can be
Oh, the moon is shining bright
Lighting everything in sight
But tonight no light will shine on meWell, it's shameful and it's sad
I lost the only pal I had
I just could not be what he wanted me to be
I will turn my head up high
To that dark and rolling sky
But tonight no light will shine on meI was so mistaken when I thought that he'd be true
I had no idea what a man in love would doOne more night, I will wait for the light
As the wind blows high above the tree
Oh, I miss my darling so
I didn't mean to see him go
But tonight no light will shine on meI was so mistaken when I thought that he'd be true
I had no idea what a man in love would doOne more night, I will wait for the light
As the wind blows high above the tree
Oh, I miss my darling so
I didn't mean to see him go
But tonight no light will shine on me
