

Lucifer's Eyes

T.O.L.D

I sleep with no voice and wake with no name
That's just a noise the devil did make
Seventeen times in seventeen days
I could stay dry but I could hear rain
I can hear rain Say your goodbyes, fly away
Leave Lucifer's eyes and hide your pain
Seventeen times in seventeen days
I could stay dry but I could hear rain
I can hear rain I can't see the way out
Devil's taken me now
I can't see the way out
Devil's taken me now I can't see the way out
Devil's taken me now
