

# Journey to the End of My Life (Acoustic)

## Allstar Weekend

Every night I go to bed  
And take a trip inside my head  
And I wonder exactly what my purpose is  
Do I live to see one hundred  
Am I rich  
Or am I poor  
What's the score  
I don't wanna be surprised I wanna take a journey to the end of my life  
'Cause I just wanna see what it's like  
Am I loved  
Am I hated  
In your face  
Or understated  
How old will I be when I die  
Do I turn out alright Is my fate up to me  
Or is it run by a computer  
Will my kids go to school or stay at home  
In the future  
Is there peace  
Is there war  
What's the score  
I don't wanna be surprised I wanna take a journey to the end of my life  
'Cause I just wanna see what it's like  
Am I loved  
Am I hated  
In your face  
Or understated  
How old will I be when I die  
Do I turn out alright I just wanna see what goes on  
A chance to put it right before it goes wrong  
Certain things I say that I regret  
And erase them all  
Erase them all  
Save my friends so they don't get hurt  
Get the mustard stain off my favorite shirt  
Have more vision than a crystal ball  
That tells me all  
A crystal ball I don't wanna be surprised  
I wanna take a journey to the end of my life

'Cause I just wanna see what it's like

Am I loved

Am I hated

In your face

Or understated

How old will I be when I die I wanna take a journey to the end of my life

'Cause I just wanna see what it's like

Am I loved

Am I hated

In your face

Or understated

How old will I be when I die I wanna take a journey to the end of my life

'Cause I just wanna see what it's like

Am I loved

Am I hated

In your face

Or understated

How old will I be when I die

Do I turn out alright
