

# Out of the Ashes

## Brooke White

Will you take me back again?  
You know I'll take you back again  
Open up your heart again  
You know I'll give my up my heart againEverybody makes mistakes  
Nobody, nobody's perfect  
I know that I made mistakes  
Well nobody, nobody's perfectSo will you meet me in the middle of the fire escape?  
If it's not too lateWe'll get out of the ashes  
Why do we have to wait?  
We'll get out of the ashes, oohYou never meant a word you said  
I never meant a word I said  
We're hurting from the inside out  
And from the outside inEverybody needs a break  
You know and I know we're worth it  
Just a little give and take  
You and I know we're worth itSo if you meet me in the middle of the fire escape  
If it's not too lateWe'll get out of the ashes  
Why do we have to wait?  
We'll get out of the ashes  
If it's not too lateWe'll get out of the ashes  
Why do we have to wait?  
We'll get out of the ashes, ooh
