Stuttering

Fefe Dobson

There's a whole lot of things that I will forgive
But I just can't take a liar
I was by your side till the very end
So you push me in the fire

I start to believe you but somethin' is wrong
You won't look in my eyes
Tell me what's going on

Its you and me who against the world
That's what you said
That's what you said
If You can't be honest with me,
Then am afraid this is the end

Hurry up hurry up,
If you ever really care about me,
Tell the truth,
Give it up,
You sound guilty 'cause you are stuttering

Oh, ey, oh
There your stuttering
Oh, ey, oh
There you stutter on

The seconds turn into minutes now
But you won't give me an answer

You can tell me this ,you can tell me that
But don't say you don't remember
'Cause I know you better than you know yourself
So don't say am crazy,I know very well

Its you and me against the world,
That's what you said
That's what you said
If you can't be honest with me,
Then am afraid this is the end..

Hurry up,
Hurry up,
If you ever really care about me,
Tell the truth,
Give it up
You sound guilty 'cause you are stuttering

Oh, ey, oh

There your stuttering
Oh, ey, oh
There you stutter on

Oh, ey, oh
There your stuttering

Oh, ey, oh
There you stutter now

Ah ah ah
Don't want to hear your sorry now

Oh best thing you can do with me is step it out

Ah ah ah
Don't want to hear your sorry now

Stop stop stuttering your words
Its only making you look worse

Hurry up,
Hurry up,
If you ever really care about me
Tell the truth
Give it up,you sound guilty
'Cause your stuttering

Oh, ey, oh
There your stuttering
Oh, ey, oh
There you stutter now

Keep on stuttering
Ohhh, eyyy, Ohhhhh
There you stutter now

Keep on stuttering
Ohhh
There you stutter now
