

Slam

Haley Bennett

Slam
Slam, slam
Everybody slam
The A-Teens will make ya d-d-dance
Slam, slam
Slam
The music is pumpin'
The party is rockin'
We all are excited
We're hot like a fire
Our friends surround us
Say it if you feel us
If you want to join this
Party, all you gotta do is
Get up on your feet and move side to side
Get up off your seat and just do it, just, just do it[Chorus]
Slam!
Everybody do the slam
Just stomp your feet
And clap your hands
Boys and girls in every land
Anyone can do it
Party people do the slam
And let the A-Teens make you danceDance dance clap your hands
Just get up and do the slam
There's no way to stop this
The dance is a virus
Spreading around the
Whole entire universe
It'll get you movin'
It'll get you groovin'
If you want to join us
All you gotta do is
Get up on your feet and move side to side
Get up off your seat and just do it, just, just do it[Chorus]Move side to side
And stomp your feet
And clap your hands
(Just slam)
And find the beat

And pump your fist
And do the dance
(Everybody do the slam)
(Everybody do the slam)
Slam, slam
Everybody slam
The A*Teens will make you d-d-dance
