

# I Get Along Without You Very Well

**Matt Monro**

I get along without you very well  
Of course, I do  
Except when soft rains fall  
And drip from leaves then I recall  
The thrill of being sheltered  
In your arms  
Of course, I do  
But I get along without you very well I've forgotten you  
Just like I said I would  
Of course, I have  
Or maybe except when I hear your name  
Someone's laugh that's just the same  
I've forgotten you just like  
I should What a guy  
What a fool am I  
To think my aching heart  
Could keep the moon  
What's in store  
Should I phone once more  
No, no, no, no, no  
It's best that I stick to my tune I said that I get along  
Without you very well  
Of course, I do  
Except perhaps in spring  
But then I should never  
Ever think of spring  
For that would  
Surely break my heart in two
