Layaway Love (feat. Fatman Scoop)

Notch

N-N-N Notch
Mami
I've got a nickel but you's a dime piece.
And you make a dollar holla when you smile at me
but I just ain't got enough on me, babySo can I put that on layaway love? (layaway)
So can I put that on layaway love? (layaway)
can I put that on layaway love? (layaway)
can I put that on layaway love?I can tell by your hair
Say the main thing that you need, a millionaire,
and when you bat your eyelashes all I see is dollar signs
Now I ain't saying you a gold digga, No, no
But it must cost a pretty penny to look like you do
And if I had it I would spend it on all you,
But I don't so can I put something on it, boo?Mami,
I got a nickel but you's a dime piece
And you can make a dollar holla when you smile at me
But I just ain't got enough on me babySo can I put that on layaway love? (layaway)
can I put that on layaway love? (layaway)
can I put that on layaway love? (layaway)
can I put that on layaway love?OohI'd love to buy you this and buy you that, (can't afford that, layaway)
Fly you here, there, and back (all aboard that, layaway)
Get the good things in life cuz you are that
Like money ain't an issue
While I'm trynna kiss you
I'm under paid I'm not under employed
I put my work in and pay enough and bring you joy
I'll even take on your goods like a stock boy
Ballin' on a budget
but you can check my credit scoreMami,
I got a nickel but you's a dime piece
And you can make a dollar holla when you smile at me
But I just ain't got enough on me baby,So can I put that on layaway love? (layaway)
can I put that on layaway love? (layaway)
can I put that on layaway love? (layaway)
can I put that on layaway love?I mean the best things in life are free
And I ain't trynna get over (over)
But ma the money in this world can't put a price on you girl
Cuz you's official and I ain't trynna price list you
Really ain't trynna be your Cash-anova

I ain't no Romy-domy-o but you could be my Juliet
And let me kiss you girl, soMami,
I got a nickel but you's a dime piece
And you can make a dollar holla when you smile at me
But I just ain't got enough on me baby,So can I put that on layaway love? (layaway)
can I put that on layaway love? (baby)
can I put that on layaway love? (layaway)
can I put that on layaway love?So tell me what's it's gonna take, baby
Girl for me to be your date?
Ain't got a rain check for a rainy day
But I'mma check you next week when I get paidMami,
I got a nickel but you's a dime piece
And you can make a dollar holla when you smile at me
But I just ain't got enough on me baby, (layaway)So can I put that on layaway love? (layaway)
