# Losing Hand

## Asaf Avidan

I gambled on your love baby and got a losing hand
I gambled on your love baby, yes it got a losing hand
Your ways keep changing like the shifting desert sand
While I was playing fair baby you played a cheating game
While I was playing fair baby you played a cheating game
I know you didn't care but I love you just the same

I thought I'd be your king baby, yes and you could be my queen
I thought I'd be your king baby, yes and you could be my queen
But you used me for your joker 'cause I thought you're deal was clean
The way you did me pretty baby, I declare I'll never understand
The way you did me pretty baby, I declare I'll never understand
I gambled on your love baby, hey, hey, hey I got a losing hand
