Faith

Devour the Day

We're gathered here today
The forgotten congregation
Some people say it's dead
But you can't kill inspiration
Ready for a reason
Something to believe in
Something with a meaning
Will anybody listen
Will anybody get this
Can I get a witness?What can move a mountain
Push the doubters out of my way
Faith is enough for me to die for
Faith is the only thing you need
Faith is the voice of my revival
Music is my God, my records are Jesus Christ
Let us not forget
What it gave and how it made us
We felt born again
We were lost and then it saved us
Living in the background
Feeling like a ghost town
Looking for a way out
Ready for redemption
Something with a message
Can I get an amen?What can move a mountain
Push the doubters out of my way
Faith is enough for me to die for
Faith is the only thing you need
Faith is the voice of my revival
Music is my God, my records are Jesus Christ
Can I get a witness?...
Can I get an amen?...Faith is enough for me to die for
Faith is the only thing you need
Faith is the voice of my revival
Music is my God, my records are Jesus Christ
