It's unfortunate that when we feel a storm  
We can roll ourselves over 'cause we're uncomfortable  
    Oh well, the devil makes us sin  
But we like it when we're spinning in his gripLove is like a sin, my love  
    For the ones that feel it the most  
    Look at her with her eyes like a flame  
She will love you like a fly will never love you againIt's unfortunate that when we feel a storm  
    We can roll ourselves over when we're uncomfortable  
    Oh well, the devil makes us sin  
But we like it when we're spinning in his gripLove is like a sin, my love  
    For the one that feels it the most  
    Look at her with a smile like a flame  
She will love you like a fly will never love you again
