Emotional

Diana DeGarmo

Sometimes I get emotional Sometimes I do some stupid things

Sometimes I say what I should just keep insideSometimes Im sad 'bout everything

Sometimes Im mad and break some things

Sorry times ten but you just got in the wayDont give up no running away

I wont hurt you sometimes Im just a pain and

And thats the way it is, thats just the way I amSometimes I feel like crying, laying down and dying

Thats when I need you, well laughing's always easy

But sometimes Im just scared you'll leave me

Thats when I feel emotionalYou say Im just impossible totally unpredictable

Im just a girl, get used to it, no big deal

You cant change me why would you try?

Im no angel but I can make you smile

And thats the way it is thats just the way I amSometimes I feel like crying, laying down and dying

Thats when I need you, well laughing's always easy

But sometimes Im just scared you'll leave me

Thats when I feel emotionalDont give up I wont hurt you

Oh, sometimes Im just a pain

And thats the way it is

Thats just the way I amSometimes I feel like crying laying down and dying

Thats when I need you, well laughing's always easy

But sometimes Im just scared you'll leave me

Thats when I feelSometimes I feel like crying

Laying down and dying

Thats when I need youSometimes I get emotional
