

# Fine (Acoustic)

## Alkaline Trio

It's gonna rain like this for days  
I'm gonna drown in my old ways  
But I'm fine, I'm fine It's gonna hurt like hell  
When you pull back the hammer and fire  
But I'm fine, I'm fine You see, a storm knocked out my super power  
Now I sleep through thunder showers  
Wake me when you learn to be cool  
If I'm the captain of this boat Then all my shipmates are fools  
And all the stars in the world  
Couldn't hear me scream  
My way out of this kiddie pool I'm gonna wake up from this dream  
With nightmares lined up on my street  
But I'm fine, I'm fine Needed a hand to keep my head up  
So you put hooks in both my ears  
And I'm fine, I'm fine Yeah, it's a chronic pain in my ass  
But no, it's not a burden  
It's ironic that I dream to make  
My insides stop hurting And It's a love that gives me heartburn  
It's a song that makes my stomach turn  
And I wouldn't trade my hand  
For all the aces in the deck 'Cause I'm fine, 'cause I'm fine  
I'm fine, I'm fine, I'm fine
