

# Embalmer

## Macabre

I am - the embalmer  
And it's nice to meet you  
Now's my - chance to  
Get to know you better  
Now you're - lying  
There upon my table  
And it's - time to  
Prepare you for embalming  
Embalmer  
Embalms you  
Embalmer  
Embalms you  
Embalmer - embalms you  
Embalmer - embalms youuuuuuuuu  
Yes it's - nice to  
Have you in my parlour  
As I - vacuum  
Out all your fluids  
You're still - lying  
There upon my table  
And it's - time to  
Inject the embalming fluid  
Embalmer  
Embalms you  
Embalmer  
Embalms you  
Embalmer - embalms you  
Embalmer - embalms youuuuuuuuu
