

# Put Your Number in My Phone

## Ariel Pink

One summer night  
I will call you up  
Summer night  
You will fall in love  
Now that you're gone  
I can't go living every night  
When I ask you to be One summer night  
I will break your love  
Summer night  
I will miss your love  
Now that you're gone  
I can't go living every night  
When i ask you forever ever more Fantasies and fallacies  
Are fairy tales and lies  
Time is running out  
Yeah  
Better write these lines One summer night  
I will call you up  
Summer night  
You will fall in love  
Now that you're gone  
I can't go living every night  
When I ask you to be
