Tip Toes

Jayme Dee

Boy you came like a hurricane
Knocked me down like a tidal wave
Didn't see you comin' so quick
Look at you boy movin' so slick
Always thought love was such a hoax
Throwin' shoes at my radio (why?)
Silly love songs made me so sick
Couldn't stand 'em, now they all click
And the reason is this, this, this
I feel like I'm about to fly (hey!)
Hey boy you got my on my tip toes
Don't stop, kiss me and away we'll go
Ooh Wa Oh Oh Oh Wa Oh
Can't shake it, so elevated
Take me any way the wind blows
Don't stop, love the way you'll make me float
Right up off my tip toes
All my friends say I'm freakin' out
They don't know what it's all about (so)
Call my girls up, tell 'em all why (hey girl!)
Call the boys up, tell 'em bye bye (bye bye bye)
I don't know what you did to me
It's like a world with no gravity ('cause)
Now you got me feelin' so high
Feel like I'm about to fly (hey!)
Hey boy you got my on my tip toes
Don't stop, kiss me and away we'll go
Ooh Wa Oh Oh Oh Wa Oh
Can't shake it, so elevated
Take me any way the wind blows
Don't stop, love the way you'll make me float
Right up off my tip toes
It's a long way down so don't let me fall
You got me feelin' ten feet tall
Every kiss is like the Forth of July
Feel like i'm about to fly
Hey boy you got me on my tip toes
Don't stop, kiss me and away we'll go
Woah oh oh oh

Take me anyway the wind blows
Don't stop love the way you'll make me float
Right up off my tip toes
Hey boy you got me on my tip toes
Don't stop, kiss me and away we'll go
Woah oh oh oh
Can't shake it so elevated
Take me anyway the wind blows
Don't stop love the way you'll make me float
Right up off my tip toes
