

Overwhelm

Blu Mar Ten

This is an invitation
To overwhelm my heart
I'm asking You to meet me
I'm waiting here to start
My soul is like a desert
Thirsty for Your rain
So open up the Heavens
And fill me up again
I am ready for my life
To be consumed
Father, here I am
Overwhelm, overwhelm
Only Your love can
Overwhelm, overwhelm
Let Your spirit fall
Overtake it all
Overwhelm, overwhelm
Overwhelm, overwhelm me
Desperate for Your presence
I long for You alone
So dwell within me, Jesus
This temple is Your home
I am ready for this life
To be consumed
Father, here I am
Overwhelm, overwhelm
Only Your love can
Overwhelm, overwhelm
Let Your spirit fall
Overtake it all
Overwhelm, overwhelm
Overwhelm, overwhelm
Overwhelm, overwhelm
Overwhelm, overwhelm me
Father, here I am
Overwhelm, overwhelm
Only Your love can
Overwhelm
Father, here I am

Overwhelm, overwhelm
Only Your love can
Overwhelm, overwhelm
Let Your spirit fall
Overtake it all
Let Your spirit fall
Overtake it all
Overwhelm, overwhelm
Overwhelm, overwhelm me
Overwhelm, overwhelm
Overwhelm, overwhelm me
Overwhelm, overwhelm
Overwhelm, take me, heal me
Overwhelm, overwhelm
Overwhelm
Overwhelm, overwhelm
Overwhelm, overwhelm me
