Vertical Man

Ringo Starr

When the world is coming down on you
And your back's against the wall
Change the glass that you've been looking through
It's only half full after all
If you feel like giving up
If you feel like you've had enough
Let it go, don't you know
If you come and kick the bottom out
Stomp your feet scream and shout
Let it go, let it go
It's never quite as bad as you think it is
'Cause every bad day turns around
Forgive yourself for all the things you did
The vertical man don't lay down
If you feel like giving up
If you feel like you've had enough
Let it go, don't you know
Come on, kick the bottom out
Stomp your feet, scream and shout
Let it go, let it go
And when the sun comes shinin' through for you
You'll discover even rainbows have the blues
Yes I know it's not news to you
Am I getting through to you?
If you feel like givin' up
Don't you know life is tough
Let it go, don't you know?
Come on, kick the bottom out
Scream and shout
Let it go, let it go
When you feel like givin' up
When you feel you've had enough
Let it go,let it go
Kick the bottom out, scream and shout
Kick the bottom out, stomp your feet, scream and shout
Kick the bottom out, stomp your feet, scream and shout
Kick the bottom out, stomp your feet, scream and shout
Kick the bottom out, stomp your feet, scream and shout
Kick the bottom out

Kick the bottom out
Kick the bottom out
Scream and shout
