

Wings to fly

O'G3NE

I wanna close my eyes and dazzle in your warm embrace
So I can wake up in the morning with a smile on my face
 There we are, watching the sun go down
I can feel, feel the heat, feel that we're perfect here
And when the moon comes in, violet light is touching skin
 I am ready... We've got a summer to live
 So many reasons to give
 Another soulmate to take
Take a breath, breathe in breathe out and fly
 Hurry up and take me high[Chorus:]
 I need wings to fly, to fly, to fly, to fly
 I need, I need
 I need wings to fly, to fly, to fly, to fly
I need I will surround myself with flowers where the water flows
 So I can store imagination where love still grows
 There we are, dreaming of life in Eden,
That can't, can't be touched, touch my soul, so full of energy
 You know I've got a plan
 Falling for the better man
 Don't you worry[Chorus:]
 We've got a summer to live
 So many reasons to give
 Another soulmate to take
Take a breath, breathe in breathe out and fly
 Hurry up and take me high
Lets Sing It I need wings to fly, to fly, to fly, to fly
 I need, I need
 I need wings to fly, to fly, to fly, to fly
I need Take me far away, make me feel so good
 I want you nearby I my neighbourhood
 Get you so high Into a clear blue sky
 I fly you fly ooh you better take me so
 Hurry up and take me high[Chorus:]
 I need wings to fly, to fly, to fly, to fly
 I need, I need
 I need wings to fly, to fly, to fly, to fly
I need I need wings to fly, to fly, to fly, to fly
 I need, I need
 I need wings to fly, to fly, to fly, to fly

I need
To fly!
