## Dolmen

Magick without tears  
Magick without tears  
Magick without tears  
The magical veneer  
The way to mother noose  
The way to suck an egg  
The way to golden dawn  
The way to Koh Phangan  
The glitter on the snow  
The place to always go  
Do what you will  
Do what you will  
The glitter on the snow  
The place to always go  
Do what you will  
Do what you will  
Magick without tears  
Magick without tears  
Magick without tears  
The magical veneer  
The way to mother noose  
The way to suck an egg  
The way to golden dawn  
The way to Koh Phangan  
The glitter on the snow  
The place to always go  
Do what you will  
Do what you will  
The glitter on the snow  
The place to always go  
Do what you will  
Do what you will  
The vision and the voice  
The view from devil's tower  
The snake with tail on tongue  
The broken silver one  
The glitter on the snow  
The place to always go  
Do what you will

Do what you will  
Magick without tears  
Magick without tears  
Magick without tears  
The magical veneer
