

How About Forever

Zach Berkman

There was a time though it seemed strange,
When I didn't know your face,
And I didn't know your name. Somewhere our paths crossed along the way,
And now there is only one more thing I've got to say. How 'bout the good days? And how 'bout the bad?
In with the laughter, and out the sadness
How long will I love you? How long could it go on?
How 'bout forever? Our love will be strong. I wanna love you so long that your taste change,
You say I like new things now,
But I love you the same way.
I wanna love you 'til we're old and grey,
For the rest of our years and our weeks and our months and our minutes and days. How 'bout the good days?
And how 'bout the bad?
In with the laughter, and out the sadness
How long will I love you? How long could it go on?
How 'bout forever? Our love will be strong. How 'bout the good days? And how 'bout the bad?
In with the laughter, and out the sadness
How long will I love you? How long could it go on?
How 'bout forever? Our love will be strong.
How 'bout forever? Our love will be strong.
