I'm Dreaming

Jennifer Warnes

Watching all the fishing boats coming
Lying back in the warm, soft sand
Seeing you with the sun in your eyesLooking 'round with the wind in my hair
Easing down without a care
Touching you under sweet summer skiesThere's a place I can go to any time
I feel myself unwind
And oh, the feeling's fineI'm dreaming of a time beyond today
When you turn to me and say
You'll always feel this wayI'm dreaming of a sun that never sets
Of a life without regrets
In a world that lets its lovers' dreams come trueTaking time to talk to each other
Finding out who we really are
Being happy, being here with youFeeling sure that the feeling will last
Even when this dream is past
We will see our love come shining throughI'm dreaming of a time beyond today
When you turn to me and say
You'll always feel this wayI'm dreaming of a time beyond today
When you turn to me and say
You'll always feel this wayI'm dreaming of a sun that never sets
Of a life without regrets
In a world that lets its lovers' dreams come trueDreaming of a time beyond today
When you turn to me and say
You'll always feel this wayI'm dreaming of a sun that never sets
Of a life without regrets
In a world that lets its lovers' dreams come true
