Beautiful

Smashing Pumpkins

Beautiful, you're beautiful As beautiful as the sun Wonderful, you're wonderful As wonderful as they comeAnd I can't help but feel attached To the feelings I can't even match With my face pressed up to the glass Wanting youBeautiful, you're beautiful As beautiful as the sky Wonderful, it's wonderful To know that you're just like IAnd I'm sure you know me well As I'm sure you don't But you just can't tell Who'll you love and who you won't No, who'll you love and who you won'tAnd I love you, as you love me So let the clouds roll by your face We'll let the world spin on to another place We'll climb the tallest tree above it all To look down on you and me and themAnd I'm sure you know me well As I'm sure you don't But you just can't tell Who you'll love and who you won't No, who'll you love and who you won't No no, who'll you love and who you won't No noDon't let your life wrap up around you Don't forget to call, whenever I'll be here just waiting for you I'll be under your stars forever Neither here nor there just right beside you I'll be under the stairs forever Neither here nor there just right beside you
