Hear the Bells (feat. Imaginary Cities)

Porter Robinson

Livin' in a cruel world
Drudging with my feet in the snow
On a day out
And it turned night now
Doctor, I've been walking on the side of the road, for a long time
And I'm going out of my mindIt's so far from me now, but oh I can hear the sounds
It's so far from me now, but oh I can hear the sounds
It's so far from me now, but oh I can hear the sounds
It's so far from me now, but oh I can hear the soundsCan't you hear the bells singing along?
You all hear it on the radio
Can't you see the hero coming home?
Can't you hear the bellsSinging on the rooftop
Crazy days are coming again
I've been runnin'
But I'll be hidden in the masquerade
So far from me now, but oh I can hear the sounds
It's so far from me now (oh I can hear the sounds)Can't you hear the bells singing along?
You all hear it on the radio
Can't you see the hero coming home?
Can't you hear the bells?So far from me now, oh I can hear the sounds
So far from me now, oh I can hear the sounds
So far from me now, oh I can hear the sounds
So far from me now, oh I can hear the soundsCan't you hear the bells singing along?
You all hear it on the radio
Can't you see the hero coming home?
You all hear it on the radio
Can't you hear the bells singing along?
You all hear it on the radio
Can't you see the hero coming home?
Can't you hear the bells singing along?
