

Dreamcatcher

Fangclub

I don't want to hurt nobody
I just want to be myself
Everybody needs somebody
To take it out of someone else So what?
So what? Yeah, so well
All that's come, gone before
You're my dreamcatcher
Like a gun to my skull
You're my dreamcatcher I don't want to walk in circles
I don't want to walk this line
Never has it been so hurtful
Do we have a single type for me? For me Yeah, so well
All that's come, gone before
You're my dreamcatcher
Like a gun to my skull
You're my dreamcatcher
All that's come, gone before
You're my dreamcatcher
Like a gun to my skull
You're my dreamcatcher
All that's come, gone before
You're my dreamcatcher
Like a gun to my skull
You're my dreamcatcher
Dreamcatcher
